AKE no mistake! M See that my head is on every package of

LION COFFEE

you buy. It guarantees its purity. No coffee is

LION COFFEE

unless it is in a 1 pound secled packet with the head of a lion on the front. Then you get pure coffee—the highest grade for the money.

Why has LION COFFEE

now become the leader of all package coffees? And why is it used in millions of homes?

Because it does not sail under false colors. It is an absolutely clean, pure coffee. No glazing, no coating with egg mixtures or chemicals in order to hide imperfections.

Just try a package of LION COFFEE

and you will understand the reason of its popularity.

In every package of LION COFFEE you will find a fully illustrated and descriptive list. No housekeeper, in fact, no woman, man, boy or girl will fail to find in the list some article which will contribute to their happiness, comfort and convenience, and which they may have by simply cutting out a certain number of Lion Heads from the wrappers of our one pound sealed packages (which is the only form in which this excellent coffee is sold).

of our coal we lower the price in economy of
consumption. Consumers will find that it is
cheaper to use our high grade Lee Coal, that
has been screened and freed from slate and

more heat, less sakes and burns longer than
any other coal, and our prices are as low as
any. Coal and Wood under cover.
